1. Call to Order

The RRID Chair to call the meeting to order at 6:00 PM.

2. Introductions & RRID Trustees Report.

3. R.D.C.K Presentation on Acquisition – R.D.C.K

3.01 R.D.C.K to set the expectations for the meeting,

3.02 R.D.C.K to provide a brief overview of the RDCK Utilities group, including the number, size, and complexity of the water systems R.D.C.K currently manage, as well as staffing, operator resources, and experience operating a range of small, mid-sized and large systems.

3.03 R.D.C.K to explain the acquisition process and guidelines.

3.04 R.D.C.K to discuss the public consultation and engagement approach.

Meeting #1 - during the System Expression on Interest period (the meeting tomorrow), to provide general information on process, expectations and standards for becoming a Regional District service.

Meeting #2 - Another meeting will be held during the formal Elector Approval process, to provide more detailed information on Elector Approval process, systems assessment findings, upgrade needs, service levels, financial position and potential rates.

3.05 R.D.C.K to provide an overview of subsequent steps if approval is given to proceed further, including RDCK's detailed staff review of the consultant work, development of asset management planning and a draft five-year financial plan, reporting to the Water Services Committee, and—if supported—the later stages involving bylaws, elector approval, and system transfer.
